CELL TOWER 6 BIN

NOVELTY

Our compact towers can be the most profitable area in your store. C-Store inspired Cell Tower programs set up the checkout counter to capitalize on impulse sales.

Products featured are updated to keep consumers interested. Multiple charging options are displayed for most electronic devices, in only eight inches of counter space.

- Eye-catching, bright color cables and chargers
- Super-infused tips = increased durability
- 30% more copper = faster charging capability (68 strands of copper)
- Dual Car Chargers contain 2.1 AMP for charging iPad, Kindle, Tablets, Samsung Galaxy
- 100% Product Guarantee
- Open Stock Program Available

Tower UPC #: 7-6306172161-0
